

ROSAMARIA AGUADO

fashion designer

hello,

An innovative fashion designer who has more than nine years of experience in the industry. Proficient in various design software and use them on various fashion projects. Has been involved in various projects and collaboration with many clients and big companies to deliver seasonal products and projects. Excellent in problem identification and creation of the most effective solution. Following and knowledgeable about the latest fashion trend and development. Fashion is like breathing, in which I can't live without it. It is also my passion. So, I would love to share this with your company and grow more as a professional fashion designer.

EDUCATION

Bachelor of Arts in Fashion Design
Chidi Eze Fashion University
2005 – 2009
