To work in an organization where I am able to contribute to the organization's growth and profitability with my skills and in turn get an opportunity to gain exposure and expertise that would help me build a strong and successful career .

Academic Qualifications :

Standard	University/School	Year	Percentage
B.Tech Biotechnology	K. M. C. Language University , Lucknow	2023	84%
12th	Government Girls Inter College , Basti	2016	79%
10 th	Government Girls Inter College , Basti	2014	85.8%

Work Experience-

- ❖ Technical Assistant at Translational Health Science and Technology Institute Faridabad. (November 2023 to January 2025)

Lab Experience-

- ❖ Completed 45 days training in MRD Life science Private Ltd. Lucknow on “Hands on industrial training with state of Art Lectures on specialized Biotech Techniques” .
- ❖ Participated in the Hands-on Training in genome-wide Study in Plants using Different Bioinformatics Approaches conducted from 10 Nov,2022 organized by Experiome Pvt Ltd under the aegis of Department of Biotechnology , Khwaja Moinuddin Chishti Language University, Lucknow.

Projects –

- ❖ Completed 6 month dissertation on topic **Cloning and Heterologous Expression of nmr-A in *E. coli***, from **Regional Centre for Biotechnology, Faridabad** (January 2023-June 2023).
- ❖ Biophysical characterization of Hydrogen Peroxide modified albumin.

Seminar & Workshops -

- ❖ Participated in international conference “ **BIORUJIVITH 2021 Innovations and Emerging Trends in Basic and Applied Science , Leading to New Entrepreneurship and Employment**” organized by the department of Life science , Garden City University on 29th & 30th of November 2021 in collaboration with IIMT University , Meerut India.
- ❖ Participated in the seminar on topic “ **Career opportunity and Hands on Bioinformatics**” conducted by department of biotechnology K.M.C. Language University, Lucknow.
- ❖ Attended one day webinar on Capacity Building & Personality Development Program Sponsored By **National Commission for Women, Govt. of India** Organized By Faculty of Engineering & Technology K.M.C. Language University Lucknow
- ❖ Participated in one day hands-on workshop with state of art lectures on “**Diagnosis of hepatitis by ELISA Reader using Human sera as a Clinical Sample**” organized by MRD Life science, Lucknow on May 21,2022.

- ❖ Participated in India International Science Festival held during 17th - 20th January 2024 at DBT THSTI-RCB Campus NCR Biotech Science Cluster, Faridabad, Haryana.

Technical Skills-

Molecular Biology : Nucleic Acid Isolation, PCR, Electrophoresis, Gel Elution, Western/Southern Blotting

Microbiology : Media Preparation & Culturing of Microbe, Pure Culture Isolation, AST, MIC, MDR, Bacterial endotoxin Test

Recombinant Techniques & proteomics : Protein Isolation and Purification, Enzymatic Assays, Chromatography Techniques, Restriction Digestion, Ligation, Competent Cell Preparation, Transformation, Cloning and Gene Expression

Hands-on instrumentation – Hot Air Oven, Bacterial Incubator, Autoclave, Laminar Air Flow, Digital Weighing Balance, Centrifuge, Micro-pipettes, Thermocycler, Spectrophotometer, Gel Doc System, HPLC, Colorimeter, pH Meter

Computer Proficiency:

Basic Knowledge:	❖ MS Word, Power point, MS Excel
Database:	❖ NCBI
Software	❖ BLAST, FASTA

National Level Exam - GATE -XL 2025

Extracurricular Activities- National Cadet Corps (NCC)

Strength: Disciplined, Quick learner

Hobbies & Interests: Listening Music

Personal Profile

Date of Birth	10 May 2000
Mother's Name	Pramila Chaudhary
Father's Name	Rampal Chaudhary
Gender	Female
Marital Status	Single
Language Known	Hindi, English

Declaration:

I hereby declare that the above-mentioned information is correct up to my knowledge and I bear the responsibility for the correctness of the above mentioned particulars.
